Illinois Licensure and Testing Verification

Since Illinois moved to licensure in 2013, the Illinois State Board of Education (ISBE) no longer issues a paper or electronic version of a license. The only verification you can print or save is the Credentials page of your Educator Licensure Information System (ELIS) account. Here are the instructions for you to view your current credentials in ELIS:

- Go to www.isbe.net
- Click on System Quick Links at the top of the page.
- Select ELIS: Educator Licensure Information System.
- Click on Login to your ELIS account under the “Educator Access” option.
- Enter with your Login Name and Password.
- Once you are logged in, click on the Credentials tab.
- You may print or save this page as verification of licensure.
- You can view test information by viewing the Tests tab.
- You may print or save this page as verification of testing.

The Illinois State Board of Education (ISBE) developed a public search option for National or International licensure agencies to verify Illinois Educator Credentials:

- Go to www.isbe.net.
- Click on System Quick Links at the top of the page.
- Select ELIS: Educator Licensure Information System from the drop-down list.
- Click on Perform a credential search of educators in Illinois under the “ADMINISTRATOR ACCESS” option.
- Enter the individual’s Illinois Educator Identification Number (IEIN), Last Name and Date of Birth (DOB). Then, click on Go To Educator.
- Tabs will be available with the following information: Credentials, Degrees, Testing and Assignments/Salary.

Per ISBE, they no longer send licensure and testing verification via letter, email, or complete out-of-state verification forms. If for any reason the testing information from ELIS is insufficient, here is the link to [Request a Copy of Your Test Results from the Illinois Licensure Testing System \(ILTS\)](#). Please contact the ROE with any questions.
